Transition...

Greetings Lions of 25F,

My year is almost over and it has been a wonderful one for Lion Patricia and me. I want to thank all the Lions who were part of my Cabinet Officers, Zone Chairs, and Club Officers this year for making it such a success. Clubs have been bringing in more new members than we have for several years. The District started out in a deficit plus our District lost 33 Lions due to death this year yet as of this writing we are at a negative 7. You, Lions, are to be commended for your hard work to bring in new members to your Club and District. Thank you from me and thank each other for stemming the loss of members in District F. Be proud of what you have accomplished because of commitment and involvement on your part of sowing seeds of service. The new member grant program is still going on until June 30th so keep recruiting and growing your Clubs.

August is just around the corner. Please help to support the Indiana Lions Foundation by working the gates at the Indiana State Fair. Lions can sign up at the website www.indianalionsfoundationmd25.org.

Please keep sending your MMR's and activities reports to continue to reach our goal of 100% reporting for our District.

Thank you again Lions of 25F for a very blessed year that I have enjoyed being your District Governor.

Bite'em!!!!!!

July Is Coming

1st VDG Don Mullen

Reminders: If you have not listed next years Club Officers for next year, please do so as soon as possible. We are trying to finalize the District Directory so it is available by Organization Day (Saturday, July 13) at Camp Woodsmoke. Thanks for your prompt attention to this matter.

Having said that, I'm a month away. That by itself seems impossible as well as a little bit daunting. Whether you want to believe it or accept it, we are face with the challenge of changes and new directions Lions Clubs are evolving through. It is paramount, even with all the autonomy we have at the club level, we also evolve with this change. Now, people are generally uncomfortable with change, particularly when the manner in which we have provided our service and run our clubs has become the very essence of our being. However, with the aging of our organization and the continued loss of people, if we are to continue our legacy of service, might we consider setting aside our ownership, agendas and egos to embrace the change and seek new ways to grow and operate in the 21st century?

Now what does all this have to do with the coming year? Well, dare I say everything. As we've hinted at in previous articles, there are changes coming in the way these changes are geared to being more inclusive in the operation of the District. We want your opinions, ideas and concerns about the direction of Lions, the District, your clubs; essentially anything you'd like to express. As we've said in our last two articles, we are absolutely serious about this. We are providing a safe environment in which to communicate as everything will be read and considered. Nothing is off the table as we want it understood no comment will be judged or set aside.

The first indication of this change has previously been hinted at in previous articles. That will be that heretofore Cabinet meetings will now be called the Fall and Winter District Meetings. The message is that some of you may feel that Cabinet only indicates it is for Officers. Where as District implies it is for anyone and everyone in our clubs. That is exactly what we want it to imply. The focus of these meetings is to be more substantive and inclusive. We intend to have, other than Secretary, Treasurer and Audit, only written reports. We can then use our time to have conversations about your comments, concerns and ideas about Lions which can benefit us all. We also intend to have train-

ing concerning getting more people , particularly younger people, in our clubs. We also intend to consider topics you are interested in, as we have invited you to do above. Some people have expressed to me they intend to do this, but have yet to do so. We really encourage you to do so.

We realize this is an ongoing process, but with your able help we know progress can be made. Afterall, if it needs to be done, Lions can do it.

Don Mullen, 1st Vice District Governor, District 25 F

Year in Review

2nd VDG Ken Faulkner

By the time you read this article, we will almost be finished with our **Lion's Year**. **Where did the time go?**

Did you meet you goals? Look back and reflect on what you did, what you may have planned to do, & what you needed to do but didn't. As we all know **Life happens** and that gets in the way. I looked back through my Lions Year and wondered if I had accomplished all my goals. I missed a few as I didn't get to speak at all District 25F clubs about Campaign 100, but there is still hope!

There are a couple of questions I have for everyone.

How many of you set examples for someone? Your children, your subordinates at work, as a Club Officer for other lions? We lead by examples for most everyone and now more than ever. When you watch the news, how many times has a police officer been videotaped doing something wrong? **I have a Lion's License Plate so that should encourage all of you to do the same, leading by Example!**

What about making your bed? Did you make that today? If so that first task of the day is complete. I make mine every day!! I usually make it the minute I arise or just after I feed the dog in the morning. **She knows she must wait till it's made to get up there and take her morning nap.** She will gently remind me if I forget, yes the dog reminds me, as she wants to go back to bed after she eats.

Here's one that hits home; did you tell anyone this year that they mattered? Just that little thank you or a pat on the back for a job well done goes a long way in today's world. ALL Lions Matter to me, as you are more important than I. If it weren't for you there would be no District 25F!!

Last, thank you to all the Lions of District 25F for all the work you do. Without you we could not serve our Communities, Cities and Towns, State, Country and the World.

We have less than a month in this year, so look back, take stock of what you did, and let's make next year even better!!

Respectfully submitted,

Lion Ken Faulkner, 2nd Vice District Governor, District 25F, Indiana Lions, Clermont Lions Club, 317-847-7884

Camp Woodsmoke

DG Ron Bigham

Saturday, May 11th turned out to be beautiful for Camp Woodsmoke Clean Up Day. The Camp was abuzz with activities. Cutting and splitting wood for the fire rings and shelter house fire places, cabins being cleaned, windows being washed, picnic tables being painted along with swings, swing frames, and small benches getting fresh coats of paint as well as a permanent cover on the wooden play set. So ask yourself, how many workers did it take to get to get all of this completed? Well, there were 62 individuals, 32 members from Iron Order MC and 30 Lions from our District. WOW!!!! That is the most workers that I have seen at a work day since I have been a CW Trustee. Many thanks to all who were able to help get so much done and we were all treated to one of Betty's and her assistant's great meals which was as fantastic as always.

Yet there is more to the day. Fellow Lions, please thank the Richmond Noon Lions Club for covering the cost of installation of the new LED fixtures and Lion Robert Moore from Richmond Noon who completed the installation helping to make CW more energy efficient.

Lion Idris Smith from Richmond Noon LC shared with me a "Thank you" card from a Girl Scout Troop that has used the camp for many years demonstrating the impact Lions have with this District Project. I wish to share this with the District members.

"May 1, 2019

To the Richmond Noon Lions,

For years our Girl Scout Troop has enjoyed a weekend at Camp Woodsmoke. We come to you to get our application signed and we appreciate that you do! We LOVE going to Camp Woodsmoke. It is such a wonderful change for our Troop members and it is beautiful to see it in the Spring. Thanks for providing such a special place for us but we also want to tell you how much we love Paul and Betty Bowling. They are so beyond good to us. They check on us and make sure we have an exceptional time. You have the BEST caretakers Camp Woodsmoke could ever have!

Thank you so much for all the wonderful things you do for so many but we especially thank you for the opportunities you provide for us. THANK YOU!!!!

The Special Girl Scouts and Leaders of Troop 20229. Amy Reeves, Leader"

The above letter is just an example of what I have mentioned in my Club presentations that Lions of 25F took on a "dare" with Camp Woodsmoke and for over 50 years has made a difference in the lives of so many.

If you have not visited Camp Woodsmoke in the last couple of years, make plans to go and visit this jewel of District

25F. Be proud of what we have at this camp and thank you for supporting such a fantastic project. Let's not keep it a secret. Get the word out.

DG Ron Bigham, CW Trustee

Time Flies!

Lion Patricia Bigham, Cabinet Treasurer

As this Lion's year starts to wind down for the year, I would like to remind all the clubs: if you intend to make a contribution to any of the State projects or committees, please get them in no later than June 10th, for processing.

All checks have to clear before June 30th, in order to clear out the books for the incoming Treasurers.

Thank you, Treasurers, for the hard work you all do for your clubs.

Have a safe Memorial Day!

Mom & Son Fun Night

The Centerville High School Leo Club hosted their first annual Mom & Son Fun Night on Friday, April 5th. The theme was Superheroes and guests were invited to dress in superhero attire. The party was open to boys PreK through 6th grade and their mom, grandma, aunt or special adult. There was food, dancing, face painting, dodge ball, coloring, Bingo and a picture booth. The event was a huge success with approximately 250 people in attendance and the Leo Club looks forward to making it even better next year! Proceeds will be used to support Lions Club projects.

Officers Installation Guidance

PCC Reed Fish

The month of June sees a lot of officer installation ceremonies in our District and very often recognition and fellowships are presented to deserving members during the year ending meeting. Two of the most recognizable fellowships are the Melvin Jones and W.P. Woods – just a couple of many ways we can formally thank our members for their contributions to the club and community. As part of new officer training we have incorporated a check list of things to consider when a presentation is being scheduled during a meeting.

Will the member be present at the meeting and would it be something family members should be invited to see?

Set a time on the agenda for the presentation and allow the time for this special recognition that they deserve.

The presentation may want to include the criteria for a person to receive the recognition and / or what this member did to be so honored.

Designate someone to take photos – this moment is the time for the club to be thanking the member for their efforts and a good photo of them with their plaque is memorable and also makes a good publicity release for the club.

Remember – the value that is put into the presentation adds to the value of the award that is being given to the valued member.

Thanks,

Reed

Indiana School for the Blind and Visually Impaired Graduation

Today May 24 – PDGs Pat/Charlie (25C) and trustees from other districts attended the ISBVI graduation at the school in Indianapolis. There were 18 graduates some of whom were going on to IU, PU and Ball State and some were going to work in their home towns. It was an amazing experience... beams of pride on parents faces and absolute joy on the faces of the students. Graduating Student Triston Harden received the ISBVI Lions State Project Service Award for his dedication to helping others and on his adoption of our Lions ethic to serve those in need. On Thursday night at the Senior Awards Banquet, Triston was presented with a Certificate of Achievement and a check for \$500 from the Lions of Indiana. Photo attached is of graduating student Triston Harmen and some of our ISBVI trustees who attended graduation.

Pictured left to right:
 Back row – PDG Charlie Short (Advisor)
 Next row – Lion Mike Okuly (Trustee 25B); PDG John Scott (Advisor 25F); Lion Steve Page (Trustee 25G); Lion Debra Page (Associate Trustee 25G);
 Front Row – Lion Linda Scott (Trustee 25F); Awardee Triston Harden; PDG Pat Short (Chair/Trustee 25C); Lion Katherine Holtzleiter (Trustee 25D).

A memorial tree honoring Lions who completed their service was planted in Lions Park in Fort Wayne following the State Convention. Pictured with the Locust tree are Convention Chair, PDG Kaylene Souers and International President Gudrun Yngvadottir.

2019 Indiana Lions State Convention

The 98th annual Indiana Lions State Convention is now history. With the help of our great committee, the 2019 State Convention ran smoothly and received accolades throughout the weekend.

From the informative program by Dr. Chaplin, the LCI update from ID Nick, the wonderful challenge from IP Gudran to the concluding keynote from Lion Jim Platzer, 404 Indiana Lions went back to their clubs with new ideas and inspiration for even more service.

Thank you for attending and making the 2019 Indiana Lions State Convention one to remember. See you next year in Bloomington.

Dr. Kay Nottingham Chaplin presented a wonderful talk Friday evening, April 26, during the Indiana Lions State Convention. Her powerpoint presentation had many links to research and websites supporting the need for Vision Screening along with the positive results of screening. Dr. Chaplin has shared the link to the presentation. Please share this with your clubs as we strive to reach even more families with Vision Screening.

The presentation is under the 2nd bullet here ...

Join the Lions in Milan!

The 102nd annual Lions Clubs International Convention will be in Milan, Italy, July 5 – 9, 2019. The Indiana delegation will be marching in the Parade of Nations on Saturday July 6th and the parade route winds among beautiful historical buildings ending up in the square where the unique masterpiece of the Milan Cathedral stands. The Milan Cathedral or Duomo di Milano in Italian, is the cathedral church of Milan, Italy. Dedicated to Saint Mary Nascent, it is the seat of the Archbishop of Milan. The Gothic cathedral took nearly six centuries to complete.

Italian Culture - a brief overview of Italian customs and traditions.

Italy is home to more than 62 million individuals as of 2017 and is ranked 23rd in population size when compared with other countries throughout the world. Italian culture is steeped in the arts, family, architecture, music and food. Home of the Roman Empire and a major center of the Renaissance, culture on the Italian peninsula has flourished for centuries.

Family is an extremely important value within the Italian culture," Talia Wagner, a Los Angeles-based marriage and family therapist. Their family solidarity is focused on extended family rather than the West's idea of "the nuclear family" of just a mom, dad and kids, Wagner explained. Italians have frequent family gatherings and enjoy spending time with those in their family. "Children are reared to remain close to the family upon adulthood and incorporate their future family into the larger network," said Wagner.

The Euro is the currency there and currently is worth more than the US dollar (\$1.14 Euro versus \$1 US). You may want to check with your bank to see if it provides a better exchange rate than what is offered in Italy. While credit cards are accepted at all of the larger stores and restaurant, the smaller and individually owned businesses may only deal in cash. Also the culture in Europe is that tips are not to be added onto the bill.

Art and architecture in Italy

Italy has given rise to a number of architectural styles, including classical Roman, Renaissance, Baroque and Neoclassical. It is home to some of the most famous structures in the world, including the Colosseum and the Leaning Tower of Pisa. The concept of a basilica - which was originally used to describe an open public court building and evolved to mean a Catholic pilgrimage site - was born in Italy. The word, according to the Oxford Dictionary, is derived from Latin and meant "royal palace." The word is also from the Greek basilikē, the feminine of basilikos, meaning "royal" or basileus, meaning "king."

Italy also is home to many castles with the following in Milan. The Castello Borromeo d'Adda stands on the river banks of the Muzza at Cassano d'Adda, and dates from the 9th Century; restoration works here have even uncovered frescoes from the school of Giotto. In Legnano, the Castello di San Giorgio was built atop a pre-existing Augustinian convent in the 13th Century. In Cusago, the Visconti Castle is regarded as a major example of castle architecture in the region. And finally, in the zone south of Milan reside San Colombano al Lambro and the Castello Belgioioso, in addition to Casalpusterlengo, with its crenellated Tower of Pusterla.

Florence, Venice and Rome are home to many museums, but art can be viewed in churches and public buildings. Most notable is the ceiling of the Sistine Chapel of the Vatican, painted by Michelangelo sometime between 1508 and 1512.

Opera has its roots in Italy and many famous operas — including "Aida" and "La Traviata," both by Giuseppe Verdi, and "Pagliacci" by Ruggero Leoncavallo — were written in Italian and are still performed in the native language. More recently, Italian tenor Luciano Pavarotti made opera more accessible to the masses as a soloist and as part of the Three Tenors. Italy is home to a number of world-renowned fashion houses, including Armani, Gucci, Benetton, Versace and Prada.

Italian cuisine

Italian cuisine has influenced food culture around the world and is viewed as a form of art by many. Wine, cheese and pasta are important part of Italian meals. Pasta comes in a wide range of shapes, widths and lengths, including penne, spaghetti, linguine, fusilli and lasagna.

No one area of Italy eats the same things as the next. Each region has its own spin on "Italian food," according to CNN. For example, most of the foods that Americans view as Italian, such as spaghetti and pizza, come from central Italy. In the North

of Italy, fish, potatoes, rice, sausages, pork and different types of cheeses are the most common ingredients. Pasta dishes with tomatoes are popular, as are many kinds of stuffed pasta, polenta and risotto. In the South, tomatoes dominate dishes, and they are either served fresh or cooked into sauce. Southern cuisine also includes capers, peppers, olives and olive oil, garlic, artichokes, eggplant and ricotta cheese.

Wine is also a big part of Italian culture, and the country is home to some of the world's most famous vineyards. The oldest traces of Italian wine were recently discovered in a cave near Sicily's southwest coast.

Questions about the Indiana delegation should be addressed to any of the committee members. If any of our members are interested in possible joining other Indiana Lions to form a group for airline tickets or group tours please let me know.
