Ready...Set...Go!

District Governor Don Mullen

Greetings Lions of 25F,

Well, here we are. Presumably, when you read this, I will still be at or have just returned home from the **International Convention in Milan, Italy**. Outside of a long flight, I'm sure everyone from the Indiana Delegation and District F had a wonderful time.

As we begin the year, I want to take the opportunity to thank those who have stepped up to serve on the District Team. With your support and efforts, District 25 F will benefit from your leadership. I also want to thank each Club Officer for leading your Clubs throughout the 2019/2020 year. Your communities will benefit from your leadership.

I would be highly remiss if I do not thank now PDG Ron Bigham for great leadership during his successful year as District Governor. We are excited about the Leadership he brings to Multiple District 25 as he serves as Council Chair. We encourage you to express your gratitude for his year of service the next time you see him.

When you see them, please congratulate the following Lions for being elected State Chair for the Committees they agreed to serve: Emergency Preparedness – A J Johnson, Southport; Vision Services – PCC Steve Winegardner, Pike; State Pin Design – CT Patricia Bigham, Indy Washington Township;

Youth Camp and Exchange -- Jim Graves, Ben Davis; and Special Olympics -- Bill Mc Donald, Osgood. District 25 F and these Committees will be well represented by these good Lions.

Once again, I would like to encourage all of you to attend Organization Day on Saturday, July 13 at Camp Woodsmoke; as well as the Fall District Meeting at Napoleon, IN on October 8th. We will be having the District Banner Night on Saturday, August 24 at the Clermont Lions Clubhouse. A Registration Form is included in this Newsletter. We encourage your attendance at these events to just enjoy, if nothing else, for other Lions and the Lionism we all share.

Inclusion and communication are not just words we have been stressing just for the sake of stressing them. We seriously want to hear from you concerning your thoughts, concerns, complaints, ideas and anything else you feel needs to be discussed and considered. Nothing is out of line, and everything is on the table. **Again, don't be shy. We want to hear from you. As we've said before, this year there are some changes in the way we will conduct business. It is not going to be business as usual.**

Shortly, you will hear from Cabinet Secretary Andrea Feeney about scheduling Official Visits. Oddly enough we already have a few clubs scheduled. Please promptly respond to Andrea as she will confirm the date with me, then with you. If you are planning to have a multiple club visit, be sure to let us know which clubs are involved and who is hosting. As always, we will be happy to induct any new members and/or make any award presentations you would like. Just please let us know in advance so we can be properly prepared. Remember, Official Visits are not Zone Meetings. We promise to make visits a little different, informative and concise.

Other housekeeping items as we begin the new year would include providing info for the Newsletter. Submission date remains the same at the 20th of each month. Your info will then be in the following months edition. The process for Event Flyers will be the same as last year. Anotherwards, send separately from your other submissions. They will then be sent as additional info to the Newsletter. Anything not received by the 20th will be held to be published later. So, please be timely. Again, this is same process as this past year. Email directly to: lions25f@gmail.com.

We have instructed your District leadership to be open to new ideas and suggestions. We want you to feel you have a safe environment in which to express yourselves. We will hear you. We will consider your comments. We want each of you to feel welcome to be a part of lending a hand in the direction 25 F takes as we evolve during this time of change and new growth. It is your District. We are looking forward to serving with you throughout the year.

Don Mullen
District Governor
District 25 F

Happy New Year

1st VDG Ken Faulkner

...or should I say HAPPY NEW LIONS YEAR!! I hope everyone had a successful prior year and now we are off to a **“Roaring” start this year. I am looking forward to meeting most of you at Organizational Day on Saturday July 13.**

“We Serve!” As Lions, we all know what that means: serving your Club, your Community, our Country, and our World. How many non-Lions know that we serve? Have you ever heard the term, “Lions are the best kept Secret in World?” PLEASE DO NOT FALL INTO THAT !! Be noticed, WEAR YOUR PIN EVERY DAY!! However, Be prepared to give that 3 minute elevator speech, because one day, you will be asked, “What’s a Lion?”

Is your Club prepared for the coming year?

Club Presidents, do you have you club’s goals prepared?

Is your Club ready for the coming year?

Is your calendar filled out with all the happenings for your Club?

Many other organizations have a motto that we should incorporate into our service as well.

The Scouts use “ Be Prepared” and the US Coast Guard uses “Semper Paratus” or Always Ready. As Lions, we try and incorporate both in our Service to others. If we are not prepared to serve our communities then the people in our communities suffer. If we are not ready to serve as Lions then who suffers? Our community? Our country? Neither, It is OUR CLUBS that will suffer ! That is why our Global Leadership Team has conducted Officer Training over the past month, to make your Club Officers prepared for the coming Lions Year. For those Officers that have attended, **thank you for attending.. For those officers that haven’t attended, Please try and attend at Organizational Day..**

On a more personal note, I’d like to thank IPDG/CC Ron in his Service to our District 25F and the Lions of Indiana. Also 2VDG Jeff Locke for stepping into this Leadership role. And last and least, I wish DG Don the best of luck in His Year!!

Ken Faulkner, 1st Vice District Governor, District 25 F

Intl Pin Design

2021

June 25 – 29, 2021: Montreal, Quebec: Known as 'Canada's Cultural Capital', Quebec's largest city is like no other in North America! Behind Paris, Montreal is the 2nd largest French-speaking city in the world and truly a foodie's paradise. While the underground pedestrian network is impressive with over 2,000 shops covering 18 miles, the 9 miles of shops lining the famous Sainte-Catherine Street has been the pride of Montreal for over a century. Explore Montreal, Notre-Dame Basilica, Montreal Museum of Fine Arts and the Olympic Stadium are just a few sights. If nature is your escape, 343 acres of green space in Mount Royal Park offers the best views of this cosmopolitan city. Montreal has so much more to offer.

So encourage your clubs to put on their thinking cap on and start designing.

Pins MUST include:

- a-MD 25 Indiana (as text)
- b-the Intl Convention year - 2021
- c-Lion Club Intl Logo
- d-Intl Convention Host City representation
- e-MD 25 graphic representation

MD-25 usually includes a race car and/or the outline of Indiana

Each club can submit one design to its District Governor.

One design will be selected by each District Governor.

All District designs need to be submitted to me by December 15, 2019.

Each District's selected design will be presented to State Council in January.

Remember: pin designers do not have to be (a) Lions

Be creative! CT Patricia Bigham, State Pin Chairperson

Club Excellence Award

PCC Reed Fish

Lion Presidents and First Vice-Presidents; you have an excellent club! Now be officially recognized by submitting the application for the Club Excellence Award.

But why would we want to be recognized – it's **only another** certificate that will lay around in a drawer?

This would be a perfect time to get as much publicity as you can for your club – either in the local paper, Facebook, Instagram etc. The recognition reinforces to the community why they should donate to your projects, become a member of your club or attend a fund raiser – they have other options – they could attend the old ABC organization's event or they could go to the Lion's (who were honored with being an Excellent Club) fund raiser!

Which one would you choose – the Excellent club of course!

Review the application (the very next page in this newsletter) to see if you have met all the qualifications – if so submit it to DG Ron Bigham for his signature.

Please contact DG Ron, your Zone Chairperson or myself with any questions.

Camp Woodsmoke Update

PDG Ron Bigham

Camp Woodsmoke is getting busy with the summer campers and other upcoming events.

Saturday, July 13 is Organizational Day for our new District Governor Don Mullen. Plan to come and visit with your Fellow Lions from our District and bring your special family dish to share along with your own plates and utensils for the day. Of course, we will be blessed with Betty's special chicken for lunch. Super Duper Good!!!!!! DG Don will be presenting his goals for the upcoming year and many other happenings as well. Club Presidents or Secretaries will be able to pick up Club packets that day. Also there will training for Club Officers and Zone Chairs starting at 9:00 am.

Pork Chop Sunday will be held on Sunday, September 29 from 11:30 to 4:00 pm. Purchase your advance sale tickets from your Club Secretary. Tickets will be in the Club packets. Thank you Fountain City LC for coming to CW to cook the chops and bringing the ice cream, Thank you Southport LC for serving the drinks, and Thank you Franklin LC for baking the potatoes again this year. These Lions help make it happen with much success for Camp Woodsmoke. If a Lion would like to participate in the preparation and serving on Pork Chop Sunday, please contact one of the Trustees to let them know. We always appreciate the help.

I have great news to report that Camp Woodsmoke did pass the State Inspection held on Wednesday, June 12. Many thanks to Trustees Lion Roy Cudworth and Lion Ivan Nading for being in attendance during the inspection. Thank you Paul and Betty for your diligence in keeping the camp in tip top shape. Be sure to thank them for everything they do for our Camp.

Paul conveyed to me that Deliverance Tabernacle brought 80 youth to stay at the Camp recently and 50 of these youth were foster children. For these youth to have an opportunity to enjoy some good times away from their life of challenges is what I believe District Lions of 25F had in mind when the Camp was established.

Although I am sure that the Lions never thought about the camp being used for the following. The Camp was used to simulate emergency situations and medical training for battlefield trauma. In attendance was a Wayne County Deputy Sheriff, FBI Agents, US Marshalls, along with Secret Service agents. The Camp is helping those who help us in many situations, known and unknown to us.

If your Club is interested in having one of our Trustees come and make a presentation, please give a Trustee a call. Information can be found in the Club Officers District directory.

If you would be interested in serving as a Trustee, please contact one of our Trustees to let us know of your interest to serve.

If you have not visited Camp Woodsmoke "The Best" in the last couple of years, make plans to go and visit this jewel of District 25F. Be proud of what we have at this camp and thank you for supporting such a fantastic project. Let's not keep it a secret. Get the word out.

Centerville Lions Fish Fry Recap

Lion Jim Resh

The Centerville Lions Club, which was organized in 1944, held its 40th annual community Fish Fry

on Saturday, June 8th, serving from 11 am to 7:30 pm in downtown Centerville, IN. Bob Hobson was chairman and members helped to serve the fish, hot dogs, and hamburgers. A good crowd was on hand all day long at the Fellowship Hall. Members provided pies and desserts also and our Leo members pitched in. President Ty Farmer was pleased with the crowd and this was the first year we held the event for just one day.

President of the Centerville Club Ty Farmer talks with DG Ron Bigham outside at the fish fry and hamburger tent.

Lions Club Treasurer Dennis Stephen joins Dr. Byron Park and Bill Hasse following a great fish fry meal. Everyone seemed to have a good time this year. This is our big money maker each year.

DG Ron joins Sandra Resh at the cashier's table after finishing a fine fish dinner.

Centerville long time member and past secretary Jim Resh welcomes two District Governors to the fish fry including Ron Bigham.

Holly Stiggleman and Wendy Cook, secretary, serve hungry folks in the serving line at the Lions Club 40th annual fish fry.

Brian's Trike Race & Disc Golf Tournament Needs Your Help!

The Brian's Trike Race and Disc Golf Competition will be held September 15 this year and we need your help!

Help Here Helps the School!

Brian's Trike Race is the largest fundraiser for your State Project, The Indiana Lions for the Indiana School for the Blind and Visually Impaired.

As in years past, we need Lions teams to participate in the event, in both the Trike Race and in the Disc Golf Competition. That being said, we also need community and student teams! This is where we need your help! Whether or not you are near Indianapolis, some schools in your District are, and we need their participation!

Why Students and What's in It for Them?

Having students at the event increases the excitement and vitality, but also gives them (and their teacher and parent chaperones!) visibility to the Indiana School for the Blind and Visually Impaired and Lions! They really do make the event more fun.

"So, what's in it for them?" you might ask. Great question! Aside from the fact that they tend to have a great time, they can also earn four Community Service hours, which many schools require for graduation or participation in certain school activities.

How to Get Student Teams

At this point, I assume you are convinced! ;-) So, how do we get these Student Teams? Well, we need to contact schools (it makes sense, right?) and ask. The action that we are requesting is that our Lions Clubs contact local schools to see if they would be interested in participating in the event. Here's some guidance on how to do that:

- Check your local high schools' calendars. Once schools have been back in session for a week or so, it's a good time to contact them.
- Often the Vice Principal is the senior person involved in the management of student organizations; start by asking for the Vice Principal when you call.
- Let them know that you are from their local Lions Club and give a few examples of how you help the community. Let them know that we have an annual fundraiser called Brian's Trike Race, held in Indianapolis on September 16th, where adult and student teams of four participate in a relay race on adult-sized tricycles to raise funds and awareness for the Indiana School for the Blind and Visually Impaired and we need student teams to participate. Let them know that this year we have added a disc golf tournament.
- Make sure they know that participating students will

receive four hours of community credit and will have fun!

- Student organizations (language clubs, sports teams, Key Clubs, etc.) tend to participate the most, because they are already often thinking of themselves as teams. The Vice Principal often knows the best groups or teams at the school to contact.
- Signup forms are available on the following two pages and additional information is available at the web site www.inlionsforisbvi.org. If you direct them to the web site, be careful to letter-spell the whole address for clarity.

These are student winners of the last Brian's Trike Race. See how happy they look? Wouldn't it be swell to see a high school from your District here?

Call me or one of your District's Indiana Lions for the ISBVI trustees if you need help or have questions and with any registrations. You may also redirect any questions from the schools or students to me.

One final note: Often, student clubs don't have the funds to support a team. If your club would like to sponsor them, that is ideal. We also have some sponsored slots for teams already available!

Thank you!
